In Memoriam.
Resolutions of the Ladies' Daughters' Circle, Greenville, Kentucky.
WHEREAS, God in his infinite love and wisdom has called to his glory our circle one of our co-workers, Mrs. T. B. Lanham, therefore be it RESOLVED, that as a Circle and as individuals we will cherish her many virtues, and the memory of her noble life shall be to us a stimulus and help, and while we feel we have sustained an irreparable loss, we know and thank God that it has been her great gain.

That the sweet unselfishness of her life under all conditions, her loyal devotion to duty at home and in co-operation with her husband in his work for young men, shall long be a fond memory among those who knew her.

That we extend to her husband and family our heartfelt love and sympathy.

That, ever mindful of her quiet, sincere zeal in all her Christian duties, we inscribe a page in our minute book to her memory, knowing that the one who gave her of His grace and strength, and prepared her for her work here in His Name will carry on that work in his own way.

The following letter from A. J. Nusbaum, of Batesville, Ind., tells his own story. "I suffered for three months with a severe cold. Sold by Jarvis & Williams.

Repairing Neatly Done

Never thought of such a sign for a medicine did you? Well, it's a good sign for Scott's Emulsion. The body has to be repaired like other things and Scott's Emulsion is the medicine that does it.

These poor bodies wear out from worry, from over-work, from disease. They get thin and weak. Some of the new ones are not well made—and all of the old ones are racked from long usage.

Scott's Emulsion fixes all kinds. It does the work both inside and out. It makes soft bones hard, thin blood red, weak lungs strong, hollow places full. Only the best materials are used in the patching and the patches don't show through the new glow of health. No one has to wait his turn. You can do it yourself—you and the bottle.

This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle.
